

## **Sports Events Autumn 2018**

### **Friday 16th November - Gymnastics Festival**

All the children in Year 2 travelled to Thomas Adams to take part in the KS 1 Gymnastics Festival.

The children had to demonstrate their skills in a floor and vault routine. All of the children did amazingly well and demonstrated skill and control, which led them to win the competition.

### **18th October 2018 - Cross Country Festival**

A group of children from Key Stage Two travelled to Thomas Adams for the annual cross country event run by the school.

Children took part from schools all over North Shropshire in a friendly and competitive atmosphere. The children from Whixall did their school proud as they took part with great enthusiasm despite the chilly weather! All the children performed well, however, Edward deserves a special mention for coming 5<sup>th</sup> in his race. The children showed their love for running by taking part in the fun run at the end of the event.

### **10th October 2018 - Football Tournament**

Nine of the Year 6 boys competed in the Small Schools' U11 competition, held at Telford College. The boys played in two matches: they drew one but unfortunately lost the other. As always, the boys represented our school brilliantly and made us all extremely proud.
