

Dear Parents

## **New booking arrangements for clubs from September**

This is a short note to inform you of the new booking arrangements for clubs from September 2024.

### **After School Clubs**

As from the start of the Autumn Term the cost per after school club from 3pm until 4.30 pm will be £2.00 per child.

**We have introduced a new booking system for these clubs.**

Parents will now have to book and pay for their child/ children to come to after school clubs via Squid under the 'date heading' that you require.

All the dates have been entered on Squid up until the October half term – which will hopefully assist any parents that like to book in advance in bulk.

This system will enable us to produce a register on the day of all the children that have been booked and paid into club for that day and reduce any discrepancies.

**PLEASE NOTE: No children should attend club on the day if they have not been booked in on Squid and paid for.**

### **Breakfast Clubs**

Breakfast Club from 7.30 am is now £5.00 per first child and then £4.50 for any second/third child.

Breakfast Club from 8.00 am is now £4.00 per first child and then £3.50 for any second/third child.

Breakfast clubs have to be booked on Squid **the week before required**, in order for staffing to be arranged.

**Please email [admin@whixall.shropshire](mailto:admin@whixall.shropshire) if you are booking breakfast clubs and state the date and time you have booked and the amount that you have paid.**

**PLEASE NOTE: No children should attend Breakfast club on the day unless they have been booked in and paid for.**

## Wrap Around

Wrap Around has to be booked as usual the week before it is required. The booking of Wrap Around will close at 2pm on the Friday of the week before it is required. **No bookings can be taken after this time.**
