HEAD LICE

We are getting LOTS of reports of head lice in school. Please, please, please check your child's hair regularly! The only way we can get rid of these pests is if EVERYBODY checks their child's hair and carries out treatment as soon as possible if necessary. We would very much appreciate everyone's support in trying to eradicate head lice from our school!! The whole school will be taking part in National Bug Busting Day in June (more info will be given nearer the time). If you need help or advice about how to deal with head lice please take a look at

Respect, Caring, Forgiveness, Tolerance, Supportive, Trust

School Drop off and Collection Procedures

Access to the school site before school is by the usual pedestrian gate or by using the system and dropping your child off at the top gate where a member of staff is on duty. At 8.50 this gate is locked and access is then gained by the front door, if your child is late coming to school, will you please bring them to reception. At the end of the day could we ask that parents collecting their children on foot or by bike please wait in the area in front of Mrs Higgs' office window. Could we ask that parents collecting by car use the car collection system.

After school access to the school site is by the pedestrian gate which is the gate which is used in the mornings.

School Transport

Application forms for the school bus can be obtained from the school office. If you are unsure as to whether your child is eligible for free school transport—please telephone the school office and we will contact the Transport Department.
