Performance Data 2019

Assessment in primary schools was reformed in 2016 and a new expected standard has been created. Results are no longer reported as levels; each child receives their test result as a scaled score from 80 – 120.

Below are the outcomes of the children at the end of Key Stage 2.

We are so proud of all of our children for their hard work, excellent attitude and the outcomes that they have achieved.
