Jam Jars

Does anyone have any spare jam jars at home, if so we would be very grateful if they could be sent into school before half term so that the children can begin to make surprise jars for the Christmas Fair.

Admissions to Reception in September 2020

If you have a child born between the following dates and wish them to start school in September 2020

1st September 2015 and 31st August 2016

Please apply online to:

Please inform Mrs Higgs as soon as you have applied online.

On-line Safety Group

As part of the school's ongoing commitment to online safety we are seeking accreditation through an organisation called 360safe.org.uk. Earlier this year, we set up a School Online Safety Group that meets twice a term to consider issues and to propose action for development. The group is led by Mr Keeling and includes Miss Brayford, Mr Williams (school governor), and Year 6 pupils Willow and Merle. It is our aim to work with the whole school community to advance our approach in this key area. In the near future we hope to carry out a survey of the whole school - pupils, parents/carers, staff and governors – aimed at establishing a picture of where we are currently in terms of our understanding. We would be extremely grateful if you would return the survey as soon as possible to assist us with our work in this area.

Aldi's Kit for Schools

We are collecting Team GB stickers with Aldi's Kit for Schools.

If you spend £30 or more at Aldi, you will be issued with a sticker.

We would be grateful if you would support us by sending the stickers into school to add to our poster. Once the poster is complete with 300 stickers, we will receive a school sports kit and the chance to win a cash prize of £20,000.

Please encourage friends and family to support us with this scheme.
