

All Saints' Journey Day

Monday 2nd November 2020

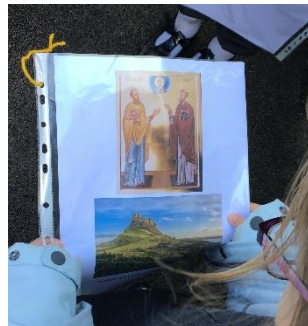

Today in Skylark Class we celebrated All Saints' Day.

We watched a special worship from Reverend Walton and Mrs Hodges.

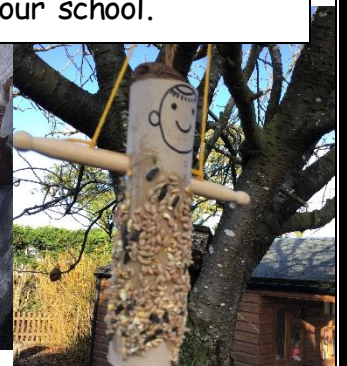

We found out about Saint Mary as our church in Whixall is Saint Mary's Church. We made a stained glass window using coloured cellophane and our beautiful colouring.

We found out that St Chad dedicated his life to prayer and studying the scriptures. We decided to walk in his footsteps to spread the 'good news' of Jesus. On our journey around school we found clues and information about St Chads life.

We know that St Francis loved nature and animals so we decided to make birdfeeders to attract the birds to our school.

We also learnt about St Francis of Assisi and how he gave all his money to the church and found out there were much more important things in life than riches. He helped many people in his lifetime. We listened to the prayer of St Francis and we worked in pairs to complete an activity where we rated how important things were in our lives. We all thought that having friends and family who love you is the most important thing.
