

# Journey Day

## All Saints' Day

November 2nd 2020

Year 3 and 4

We looked at the life and achievements of Saint Francis of Assisi. We studied the Prayer of St Francis and discussed how this could help us live by his example.

Designing a prayer card.

We discussed how St Francis used his love for nature to show God as a mighty and loving creator. We then made bird feeders to show how we too can express a love for nature and a way of caring for our world.

We then chose suitable sites to hang our feeders

We also looked at the life of Saint Mother Teresa of Calcutta and likened the life she led to that of St Francis. We discussed how both chose to follow a selfless life dedicated to the needs of others.
