Do you have any questions around child development and parenting?

Why not call our Parenting Helpline where one of our trained Parenting Practitioners will be ready to listen? Call 01743 250950 - Tuesdays and Thursdays from 9am to 12.30pm.

If you would like to find out about other services the Parenting Team offers

Children can start school in reception at the beginning of the academic year following their fourth birthday.

Therefore, children born between 1 September 2019 and 31 August 2020 can start primary school from September 2024.

Applications should be made online. See the attached guidance to help you make your application. If you have any queries or encounter any difficulties completing your application, please contact the School Admissions Team by email - school-admissions@shropshire.gov.uk.

Please note that the online facility is open from **2 November 2023**. You must apply by 15 January 2024. If there is a reason why your application is late i.e. due to a house move, please email school-admissions@shropshire.gov.uk to advise

Applications received after 15 January, without exceptional reasons, are considered late. Late applications won't be processed until all the applications received on time have been allocated. This may result in your child not being offered a school place at your preferred school.

Shropshire Local Authority residents should use the Shropshire online portal to make their application for any English state infant or primary school. If the school you wish to apply to isn't there, please email school-admissions@shropshire.gov.uk with the name of the school, and we will get it added

- If you wish to apply for a neighbouring Welsh authority primary school, you should apply directly to either Powys or Wrexham authorities

If you want to apply for a Shropshire school but do not reside in the Shropshire Council authority area, please refer to our [who to apply to](#) page. Telford local authority residents must apply via Telford and Wrekin Council not Shropshire Council

- Applicants from either overseas, Scotland, Wales or Northern Ireland can use the Shropshire Council website to make an application for a Shropshire school

IF AN APPLICATION IS MADE THROUGH THIS PORTAL FROM A RESIDENT IN ANOTHER ENGLISH AUTHORITY OTHER THAN SHROPSHIRE IT WILL BE DISCARDED

BEFORE MAKING AN APPLICATION

Ensure you read the [Parent's Guide to Education in Shropshire](#). This guide provides all the correct information to help you make your application

- Note the importance of naming more than one school on your application, particularly when not applying for your catchment area school

Ensure that you're happy with the application before you submit it. The online portal doesn't allow you to change your application once it's been submitted and downloaded by the Admissions Team. If you do need to amend your application after you have submitted it, you must email

school-admissions@shropshire.gov.uk

TikTok

You must be over 13 years of age to use TikTok.

TikTok is a social media platform for sharing and watching short video clips. Some of the videos on TikTok may not be appropriate for your child to view and there is also the risk of strangers contacting your child. If your child is using TikTok then make sure the appropriate security/privacy settings are on.

Account set up

By default, accounts for people under 16 are set to private at the start and we would recommend keeping it as this.

This means your child must approve follower requests. You can read more about the other settings available (such as switching off comments and switching on restricted mode) here:

<https://support.tiktok.com/en/account-and-privacy/account-privacy-settings>

As always, it is important that when setting up an account on TikTok, your child enters their real date of birth as accounts are tailored by age. For example, Direct Messaging is disabled for accounts aged 13-15 and they do not receive push notifications from 9pm. In addition, advertisements are tailored to the user's age.

Family Pairing

This allows you to link your own account to your child's account. You can then set controls such as restricted mode (limit the appearance of content that may not be appropriate) and screen time management. You can find out more here:

<https://www.tiktok.com/safety/en/guardians-guide/>

Inappropriate content, themes and challenges on TikTok

Whilst against TikTok's guidelines, explicit and inappropriate content can be found on this platform, for example nudity/sexual content and hate speech. We often see viral challenges on social media, some of which can be dangerous. If your child is using TikTok, chat to them regularly about what they are viewing.

Blocking and Reporting

Ensure your child knows how to use the safety features available to them, including how to report comments, direct messages and another user. You can find out more here:

<https://support.tiktok.com/en/safety-hc/report-a-problem>
